Letterbooks														
In regard a thorough knowledge of the Inland parts of Africa may frove of very great														
 advantage to the Compo in Ord! The better to come at it, you are to take care as often as any parcel of Negros are brought down to be sold, to marke as Shick enquiry as probbibles, to find out														
what fort of fountry they came from, and if no Linguister can be had, who knows their														
Language, you may choose out how or three of the Most likely ones to marke house chaves a by with means either Some of your own Naves will in all probability in a years hime learn enough of their language or they will that of yours, as to be able to Understand each other, it then by asking proper questions usefull discoverys may in hime be made.
